

## Chapter 16

### PROGRAM ADMINISTRATION

#### INTRODUCTION

This chapter discusses administrative policies and practices that are relevant to the activities covered in this ACOP. The policies are discussed in six parts as described below:

Part I: Setting Utility Allowances and the Passbook Savings Rate. This part describes how utility allowances are established and revised. Also discussed are the requirements to establish surcharges for excess consumption of PHA-furnished utilities.

Part II: Establishing Flat Rents and Public Housing Maximum Rents. This part describes the requirements and policies related to establishing and updating flat rent amounts and public housing maximum rents.

Part III: Repayment of Family Debts. This part contains policies for recovery of monies that have been underpaid by families, and describes the circumstances under which the PHA will offer repayment agreements to families. Also discussed are the consequences for failure to make payments in accordance with a repayment agreement.

Part IV: Public Housing Assessment System (PHAS). This part describes the PHAS indicators, how PHAs are scored under PHAS, and how those scores affect a PHA.

Part V: Record-Keeping. All aspects of the program involve certain types of record-keeping. This part outlines the privacy rights of applicants and participants and record retention policies the PHA will follow.

Part VI: Reporting and Record Keeping for Children with Environmental Intervention Blood Lead Level. This part describes the PHA's reporting responsibilities related to children with environmental intervention blood lead levels that are living in public housing.

Part VII: Violence against Women Act (VAWA): Notification, Documentation, and Confidentiality. This part contains key terms used in VAWA and describes requirements related to notifying families about their rights and responsibilities under VAWA; requesting documentation from victims of domestic violence, dating violence, sexual assault, and stalking; and maintaining the confidentiality of information obtained from victims.

## **PART I: SETTING UTILITY ALLOWANCES AND THE PASSBOOK SAVINGS RATE [24 CFR 965 Subpart E]**

### **16-I.A. OVERVIEW**

PHAs must establish allowances for PHA-furnished utilities for all check metered utilities and for resident-purchased utilities for all utilities purchased directly by residents from a utility supplier [24 CFR 965.502(a)].

PHAs must also establish surcharges for excess consumption of PHA-furnished utilities [24 CFR 965.506].

The PHA must maintain a record that documents the basis on which utility allowances and scheduled surcharges are established and revised, and the record must be made available for inspection by residents [24 CFR 965.502(b)].

### **16-I.B UTILITY ALLOWANCES**

The PHA must establish separate allowances for each utility and for each category of dwelling units the PHA determines to be reasonably comparable as to factors affecting utility usage [24 CFR 965.503].

The objective of a PHA in establishing utility allowances for each dwelling unit category and unit size is to approximate a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful living environment [24 CFR 965.505].

Utilities include gas, electricity, fuel for heating, water, sewerage, and solid waste disposal for a dwelling unit. In addition, if the PHA does not furnish a range and refrigerator, the family must be granted a utility allowance for the range and refrigerator they provide [24 CFR 965.505].

Costs for telephone, cable/satellite TV, and internet services are not considered utilities [PH Occ GB, p. 138].

Utility allowance amounts will vary by the rates in effect, size and type of unit, climatic location and siting of the unit, type of construction, energy efficiency of the dwelling unit, and other factors related to the physical condition of the unit. Utility allowance amounts will also vary by residential demographic characteristics affecting home energy usage [PH Occ GB, p. 138].

Chapter 14 of the *PH Occupancy Guidebook* provides detailed guidance to the PHA about establishing utility allowances.

#### **Air-Conditioning**

“If a PHA installs air conditioning, it shall provide, to the maximum extent economically feasible, systems that give residents the option of choosing to use air conditioning in their units. The design of systems that offer each resident the option to choose air conditioning shall include retail meters or check meters, and residents shall pay for the energy used in its operation. For systems that offer residents the option to choose air conditioning but cannot be check metered, residents are to be surcharged in accordance with 965.506. If an air conditioning system does not provide for resident option, residents are not to be charged, and these systems should be avoided whenever possible.” [24 CFR 965.505(e)].

*Continued on next page.*

UHA Policy

The UHA has not installed air-conditioning. UHA has installed energy efficient water coolers.

**Utility Allowance Revisions [24 CFR 965.507]**

The PHA must review at least annually the basis on which utility allowances have been established and must revise the allowances if necessary in order to adhere to the standards for establishing utility allowances that are contained in 24 CFR 965.505.

The PHA may revise its allowances for resident-purchased utilities between annual reviews if there is a rate change, and is required to do so if such change, by itself or together with prior rate changes not adjusted for, results in a change of 10 percent or more from the rate on which the allowance was based.

Adjustments to resident payments as a result of such changes must be retroactive to the first day of the month following the month in which the last rate change taken into account became effective.

UHA Policy

Between annual reviews of utility allowances, the UHA will only revise its utility allowances due to a rate change, when required to by the regulation.

**16-I.C. SURCHARGES FOR PHA-FURNISHED UTILITIES [24 CFR 965.506]**

For dwelling units subject to allowances for PHA-furnished utilities where check meters have been installed, the PHA must establish surcharges for utility consumption in excess of the allowances. Surcharges may be computed on a straight per unit of purchase basis or for stated blocks of excess consumption, and must be based on the PHA's average utility rate. The basis for calculating the surcharges must be described in the PHA's schedule of allowances. Changes in the amount of surcharges based directly on changes in the PHA's average utility rate are not subject to the advance notice requirements discussed under 16-I.D.

For dwelling units served by PHA-furnished utilities where check meters have not been installed, the PHA must establish schedules of surcharges indicating additional dollar amounts residents will be required to pay by reason of estimated utility consumption attributable to resident-owned major appliances or to optional functions of PHA-furnished equipment. The surcharge schedule must state the resident-owned equipment (or functions of PHA-furnished equipment) for which surcharges will be made and the amounts of such charges. Surcharges must be based on the cost to the PHA of the utility consumption estimated to be attributable to reasonable usage of such equipment.

UHA Policy

The UHA does not have UHA-furnished utilities.

**16-I.D. NOTICE REQUIREMENTS [965.502]**

The PHA must give notice to all residents of proposed allowances and scheduled surcharges, and revisions thereof. The notice must be given in the manner provided in the lease and must:

*Continued on next page.*

- Be provided at least 60 days before the proposed effective date of the allowances, scheduled surcharges, or revisions.
- Describe the basis for determination of the allowances, scheduled surcharges, or revisions, including a statement of the specific items of equipment and function whose utility consumption requirements were included in determining the amounts of the allowances and schedule of surcharges.
- Notify residents of the place where the PHA's documentation on which allowances and surcharges are based is available for inspection.
- Provide all residents an opportunity to submit written comments during a period expiring not less than 30 days before the proposed effective date of the allowances, scheduled surcharges, or revisions.

### **16-I.E. REASONABLE ACCOMMODATION [24 CFR 965.508]**

On request from a family that includes a disabled or elderly person, the PHA must approve a utility allowance that is higher than the applicable amount for the dwelling unit if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family [PH Occ GB, p. 172].

Likewise, residents with disabilities may not be charged for the use of certain resident-supplied appliances if there is a verified need for special equipment because of the disability [PH Occ GB, p. 172].

See Chapter 2 for policies regarding the request and approval of reasonable accommodations.

### **16-I.F. PASSBOOK SAVINGS RATE [Notice PIH 2012-29]**

The HUD field office no longer provides an interest rate for imputed asset income. The "safe harbor" is now for the PHA to establish a passbook rate within 0.75 percent of a national average.

PHAs may establish a passbook rate within 75 basis points (plus or minus .75 percent) of the Savings National Rate in effect at the time the PHA establishes the passbook rate. The passbook rate may not be less than 0 percent. The Savings National Rate is a simple average of rates by United States (US) depository institutions as calculated by the Federal Deposit Insurance Corporation (FDIC). The FDIC publishes this rate on a weekly basis. The PHA can access historical and current Savings National Rates at the following website:  
[www.fdic.gov/regulations/resources/rates/](http://www.fdic.gov/regulations/resources/rates/).

The PHA should review its passbook rate at least annually to ensure that it remains within .75 percent of the national average. The PHA must apply its policy to calculate imputed asset income consistently to all participants.

#### UHA Policy

UHA will initially set the imputed asset passbook rate at the Savings National Rate established by the Federal Deposit Insurance Corporation (FDIC).

*Continued on next page.*

UHA will review the passbook rate annually, in October of each year. The rate will not be adjusted unless the current PHA rate is no longer within 0.75 percent of the national rate. If it is no longer within 0.75 percent of the national rate, the passbook rate will be set at the current national rate.

Changes to the passbook savings rate amount will take effect on December 1<sup>st</sup> following the October review.

If the UHA has already processed reexaminations that will be effective on or after December 1<sup>st</sup> when the new passbook savings rate takes effect, the UHA will not make retroactive adjustments to any such reexaminations.

## **PART II: ESTABLISHING FLAT RENTS AND PUBLIC HOUSING MAXIMUM RENTS**

### **16-II.A. OVERVIEW**

Flat rents are designed to encourage self-sufficiency and to avoid creating disincentives for continued residency by families who are attempting to become economically self-sufficient.

Public housing maximum rents are needed to prorate assistance for a mixed family. A mixed family is one whose members include those with citizenship or eligible immigration status, and those without citizenship or eligible immigrations status [24 CFR 5.504].

This part discusses how the PHA establishes and updates flat rents and public housing maximum rents. Policies related to the use of flat rents, family choice of rent, flat rent hardships, and public housing maximum rents are discussed in Chapter 6.

### **16-II.B. FLAT RENTS [24 CFR 960.253(b) and Notice PIH 2014-12]**

#### **Establishing Flat Rents**

Flat rents for public housing units are based on the market rent charged for comparable units in the private unassisted rental market. The flat rent should be equal to the estimated rent for which the PHA could promptly lease the public housing unit after preparation for occupancy.

The PHA must use HUD's rent reasonableness methodology to determine flat rents. In determining flat rents, PHAs must consider the following:

- Location
- Quality
- Unit size
- Unit type
- Age of property
- Amenities at the property and in immediate neighborhood
- Housing services provided
- Maintenance provided by the PHA

Utilities provided by the PHA Notice PIH 2014-12 specifies that after the PHA has determined flat rent amounts using HUD's rent reasonableness methodology, the PHA must then compare this amount to 80 percent of the FMR and must set the flat rent at no less than 80 percent of the FMR, subject to utility adjustments.

PHAs are now required to apply a utility allowance to flat rents. Flat rents set at 80 percent of the FMR must be reduced by the amount of the unit's utility allowance, if any.

#### **Review of Flat Rents**

The PHA must ensure that flat rents continue to mirror market rent values [24 CFR 960.253(b) and Notice PIH 2014-12]. No later than 90 days after HUD publishes new annual FMRs, PHAs must revise flat rents as necessary based on the rent reasonableness analysis and changes to the

FMR. The PHA must offer changes to the flat rent to all new admissions and to existing families at the next annual rent option.

If the FMR falls from year to year, the PHA may, but is not required to, lower the flat rent to 80 percent of the current FMR.

#### UHA Policy

If the FMR is lower than the previous year, the PHA will reduce flat rents to 80 percent of the current FMR

PHAs that determine that reasonable rents would be less than 60 percent of the applicable FMR may choose to complete a rent reasonableness study once every three years, rather than annually. [Notice PIH 2014-12].

#### PHA Policy

If the PHA determines that reasonable rents would be less than 60 percent of the applicable FMR, the PHA will conduct a rent reasonableness study once every three years.

### **Posting of Flat Rents**

#### UHA Policy

The UHA will make the schedule of flat rents available for review upon request.

### **Documentation of Flat Rents [24 CFR 960.253(b)(5)]**

The PHA must maintain records that document the method used to determine flat rents, and that show how flat rents were determined by the PHA in accordance with this method.

## **16-II.C. PUBLIC HOUSING MAXIMUM RENTS**

### **Establishing Public Housing Maximum Rents**

PHAs are prohibited from making financial assistance available to persons who are not citizens or nationals of the United States, and to those who do not have eligible immigration status [24 CFR 5.500]. Therefore, in order to assist mixed families, PHAs must prorate assistance. Public housing maximum rents are needed in order to calculate the tenant rent for a mixed family.

The public housing maximum rent is based on value of the 95th percentile of the total tenant payment (TTP) for each tenant within the PHA. PHAs may calculate a maximum rent on either a PHA- or project wide basis. A separate maximum rent can be provided for each separate project or projects may be combined into logical groups, if appropriate. HUD recommends that a single project basis be avoided for a project unless at least 50 dwelling units are involved.

PHAs may use the “direct comparison” or the “unit distribution” method for establishing the public housing maximum rents for each unit size. Appendix H, of Guidebook 7465.7G, “Restrictions on Assistance to Noncitizens”, provides detailed guidance on how to establish public housing maximum rents using the methodologies identified above.

### **Review of Public Housing Maximum Rents**

#### UHA Policy

The UHA will recalculate the public housing maximum rents on an annual basis.

## **Posting of Public Housing Maximum Rents**

### UHA Policy

The UHA will make the schedule of maximum rents available for review upon request.

## **Documentation of Public Housing Maximum Rents**

### UHA Policy

The UHA will maintain records that document how the UHA determined the 95th percentile of TTP, whether the maximum rent was determined UHA-wide, project-wide, or with groupings of projects, and the methodology used to determine maximum rents for each unit size.

## **PART III: FAMILY DEBTS TO THE PHA**

### **16-III.A. OVERVIEW**

This part describes the PHA's policies for recovery of monies owed to the PHA by families.

#### UHA Policy

When an action or inaction of a resident family results in the underpayment of rent or other amounts, the UHA holds the family liable to return any underpayments to the UHA.

The UHA will enter into repayment agreements in accordance with the policies contained in this part as a means to recover overpayments. When a family refuses to repay monies owed to the UHA, the UHA will utilize other available collection alternatives including, but not limited to, the following:

- Collection agencies
- Small claims court
- Civil law suit
- State income tax set-off program

### **16-III.B. REPAYMENT POLICY**

#### **Family Debts to the PHA**

#### UHA Policy

Any amount owed to the UHA by a public housing family must be repaid. If the family is unable to repay the debt within 30 days, the UHA will offer to enter into a repayment agreement in accordance with the policies below.

If the family refuses to repay the debt, does not enter into a repayment agreement, or breaches a repayment agreement, the UHA will terminate the family's tenancy in accordance with the policies in Chapter 13. The UHA will also pursue other modes of collection.

#### **Repayment Agreement [24 CFR 792.103]**

The term repayment agreement refers to a formal written document signed by a tenant or owner and provided to the PHA in which a tenant or owner acknowledges a debt in a specific amount and agrees to repay the amount due at specific time periods.

#### **General Repayment Agreement Guidelines**

#### ***Down Payment Requirement***

#### UHA Policy

Before executing a repayment agreement with a family, the UHA will generally require a down payment of 10 percent of the total amount owed. If the family can provide evidence satisfactory to the UHA that a down payment of 10 percent would impose an undue hardship, the UHA may, in its sole discretion, require a lesser percentage or waive the requirement.

## ***Payment Thresholds***

Notice PIH 2010-19 [extended via Notice PIH 2012-26] recommends that the total amount that a family must pay each month—the family’s monthly share of rent plus the monthly debt repayment amount—should not exceed 40 percent of the family’s monthly adjusted income, which is considered “affordable.” Moreover, Notice PIH 2010-19 acknowledges that PHAs have the discretion to establish “thresholds and policies” for repayment agreements with families [24 CFR 982.552(c)(1)(vii)].

### UHA Policy

The UHA has established the following thresholds for repayment of debts:

Amounts under \$1,000 must be repaid within 12 months.

Amounts between \$1,000 and \$1,999 must be repaid within 24 months.

Amounts between \$3,000 and the Federal or State threshold for criminal prosecution must be repaid within 36 months.

Amounts between \$2,000 and \$2,999 must be repaid within 306 months.

Amounts between \$3,000 and \$3,999 must be repaid within 36 months.

Amounts exceeding \$4,000 must be repaid within a reasonable time, generally not to exceed 12 months for each increment of \$1,000 owed. UHA will take into consideration the factors listed below in determining a reasonable time for repayment.

If a family can provide evidence satisfactory to the UHA that the threshold applicable to the family’s debt would impose an undue hardship, the UHA may, in its sole discretion, determine that a lower monthly payment amount is reasonable. In making its determination, the UHA will consider all relevant information, including the following:

The amount owed by the family to the UHA

The reason for the debt, including whether the debt was the result of family action/inaction or circumstances beyond the family’s control

The family’s current and potential income and expenses

The family’s current family share, as calculated under 24 CFR 982.515

The family’s history of meeting its financial responsibilities

## ***Execution of the Agreement***

### UHA Policy

Any repayment agreement between the UHA and a family must be signed and dated by the UHA and by the head of household and spouse/cohead (if applicable).

## ***Due Dates***

### UHA Policy

All payments are due by the close of business on the 1st day of the month. If the 1st does not fall on a business day, the due date is the close of business on the first business day after the 15th.

### ***Late or Missed Payments***

#### UHA Policy

Payments not received by the end of the business day on the date due will be considered late.

Any three (3) late payments during the life of the repayment agreement will be considered a breach of the repayment agreement and the UHA will terminate assistance for breach of the repayment agreement in accordance with the policies in Chapter 13.

### **Repayment Agreements Involving Improper Payments**

Notice PIH 2010-19 requires certain provisions to be included in any repayment agreement involving amounts owed by a family because it underreported or failed to report income:

- A reference to the items in the public housing lease that state the family's obligation to provide true and complete information at every reexamination and the grounds on which the PHA may terminate assistance because of a family's action or failure to act
- A statement clarifying that each month the family not only must pay to the PHA the monthly payment amount specified in the agreement but must also pay to the owner the family's monthly share of the rent to owner
- A statement that the terms of the repayment agreement may be renegotiated if the family's income decreases or increases
- A statement that late or missed payments constitute default of the repayment agreement and may result in termination of tenancy

## PART IV: PUBLIC HOUSING ASSESSMENT SYSTEM (PHAS)

### 16-IV.A. OVERVIEW

The purpose of the Public Housing Assessment System (PHAS) is to improve the delivery of services in public housing and enhance trust in the public housing system among PHAs, public housing residents, HUD and the general public by providing a management tool for effectively and fairly measuring the performance of a public housing agency in essential housing operations.

### 16-IV.B. PHAS INDICATORS [24 CFR 902 Subparts A, B, C, D, and E]

The table below lists each of the PHAS indicators, the points possible under each indicator, and a brief description of each indicator. A PHA's performance is based on a combination of all four indicators.

#### **Indicator 1: Physical condition of the PHA's projects**

##### **Maximum Score: 40**

- The objective of this indicator is to determine the level to which a PHA is maintaining its public housing in accordance with the standard of decent, safe, sanitary, and in good repair.
- To determine the physical condition of a PHA's projects, inspections are performed of the following five major areas of each public housing project: site, building exterior, building systems, dwelling units, and common areas. The inspections are performed by an independent inspector arranged by HUD, and include a statistically valid sample of the units in each project in the PHA's public housing portfolio.

#### **Indicator 2: Financial condition of the PHA's projects**

##### **Maximum Score: 25**

- The objective of this indicator is to measure the financial condition of the PHA's public housing projects for the purpose of evaluating whether the PHA has sufficient financial resources and is capable of managing those financial resources effectively to support the provision of housing that is decent, safe, sanitary, and in good repair.
- A PHA's financial condition is determined by measuring each public housing project's performance in each of the following subindicators: quick ratio, months expendable net assets ratio, and debt service coverage ratio.

#### **Indicator 3: Management operations of the PHA's projects**

##### **Maximum Score: 25**

- The objective of this indicator is to measure certain key management operations and responsibilities of a PHA's projects for the purpose of assessing the PHA's management operations capabilities.
- A PHA's management operations are assessed based on the following sub-indicators: occupancy, tenant accounts receivable, and accounts payable.
- An on-site management review may be conducted as a diagnostic and feedback tool for problem performance areas, and for compliance. Management reviews are not scored.

**Indicator 4: Capital Fund**  
**Maximum Score: 10**

- The objective of this indicator is to measure how long it takes the PHA to obligate capital funds and to occupy units.
- The PHA's score for this indicator is measured at the PHA level and is based on the following subindicators: timeliness of fund obligation and occupancy rate.

**16-IV.C. PHAS SCORING [24 CFR 902 Subpart F]**

HUD's Real Estate Assessment Center (REAC) issues overall PHAS scores, which are based on the scores of the four PHAS indicators, and the subindicators under each indicator. The PHA's indicator scores are based on a weighted average of the PHA's public housing projects' scores. PHAS scores translate into a designation for each PHA as high performing, standard, substandard or troubled.

A high performer is a PHA that achieves an overall PHAS score of 90 or greater, and achieves a score of at least 60 percent of the points available under the physical, financial, and management indicators and at least 50 percent of the points available under the capital fund indicator.

A standard performer is a PHA that has an overall PHAS score between 60 and 89, and achieves a score of at least 60 percent of the points available under the physical, financial, and management indicators and at least 50 percent of the points available under the capital fund indicator.

A troubled performer is a PHA that achieves an overall PHAS score of less than 60, or achieves less than 50 percent of the total points available under the capital fund indicator.

These designations can affect a PHA in several ways:

- High-performing PHAs are eligible for incentives including relief from specific HUD requirements and bonus points in funding competitions [24 CFR 902.71].
- PHAs that are standard performers may be required to submit and operate under a corrective action plan to eliminate deficiencies in the PHA's performance [24 CFR 902.73(a)(1)].
- PHAs that are substandard performers will be required to submit and operate under a corrective action plan to eliminate deficiencies in the PHA's performance [24 CFR 902.73(a)(2)].
- PHAs with an overall rating of "troubled" are subject to additional HUD oversight, and are required to enter into a memorandum of agreement (MOA) with HUD to improve PHA performance [24 CFR 902.75].
- PHAs that fail to execute or meet MOA requirements may be referred to the Assistant Secretary to determine remedial actions, including, but not limited to, remedies available for substantial default [24 CFR 902.75(g) and 24 CFR Part 907]. PHAs must post a notice of its final PHAS score and status in appropriate conspicuous and accessible locations in its offices within two weeks of receipt of its final score and designation [24 CFR 902.64(b)(2)].

## **PART V: RECORD KEEPING**

### **16-V.A. OVERVIEW**

The PHA must maintain complete and accurate accounts and other records for the program in accordance with HUD requirements, in a manner that permits a speedy and effective audit. All such records must be made available to HUD or the Comptroller General of the United States upon request.

In addition, the PHA must ensure that all applicant and participant files are maintained in a way that protects an individual's privacy rights.

### **16-V.B. RECORD RETENTION**

The PHA must keep the last three years of the Form HUD-50058 and supporting documentation during the term of each assisted lease, and for a period of at least three years from the end of participation (EOP) date [24 CFR 908.101].

#### UHA Policy

During the term of each public housing tenancy, and for at least four years thereafter, the UHA will keep all documents related to a family's eligibility, tenancy, and termination.

In addition, the UHA will keep the following records for at least four years:

- An application from each ineligible family and notice that the applicant is not eligible

- Lead-based paint records as required by 24 CFR 35, Subpart B

- Documentation supporting the establishment of flat rents and the public housing maximum rent

- Documentation supporting the establishment of utility allowances and surcharges

- Documentation related to PHAS

- Accounts and other records supporting UHA budget and financial statements for the program

- Other records as determined by the UHA or as required by HUD

If a hearing to establish a family's citizenship status is held, longer retention requirements apply for some types of documents. For specific requirements, see Section 14-II.A.

### **16-V.C. RECORDS MANAGEMENT**

PHAs must maintain applicant and participant files and information in accordance with the regulatory requirements described below.

#### UHA Policy

All applicant and participant information will be kept in a secure location and access will be limited to authorized UHA staff.

*Continued on next page.*

UHA staff will not discuss personal family information unless there is a business reason to do so. Inappropriate discussion of family information or improper disclosure of family information by staff will result in disciplinary action.

### **Privacy Act Requirements [24 CFR 5.212 and Form-9886]**

The collection, maintenance, use, and dissemination of social security numbers (SSN), employer identification numbers (EIN), any information derived from these numbers, and income information of applicants and participants must be conducted, to the extent applicable, in compliance with the Privacy Act of 1974, and all other provisions of Federal, State, and local law.

Applicants and participants, including all adults in the household, are required to sign a consent form, HUD-9886, Authorization for Release of Information. This form incorporates the Federal Privacy Act Statement and describes how the information collected using the form may be used, and under what conditions HUD or the PHA may release the information collected.

### **Upfront Income Verification (UIV) Records**

PHAs that access UIV data through HUD's Enterprise Income Verification (EIV) system are required to adopt and follow specific security procedures to ensure that all EIV data is protected in accordance with federal laws, regardless of the media on which the data is recorded (e.g. electronic, paper). These requirements are contained in *Enterprise Income Verification (EIV) System PHA Security Procedures*, Version 1.2, issued January 2005.

#### UHA Policy

Prior to utilizing HUD's EIV system, the UHA will adopt and implement EIV security procedures required by HUD.

### **Criminal Records**

The PHA may only disclose the criminal conviction records which the PHA receives from a law enforcement agency to officers or employees of the PHA, or to authorized representatives of the PHA who have a job-related need to have access to the information [24 CFR 5.903(e)].

The PHA must establish and implement a system of records management that ensures that any criminal record received by the PHA from a law enforcement agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action without institution of a challenge or final disposition of any such litigation [24 CFR 5.903(g)].

The PHA must establish and implement a system of records management that ensures that any sex offender registration information received by the PHA from a State or local agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action without institution of a challenge or final disposition of any such litigation. However, a record of the screening, including the type of screening and the date performed must be retained [Notice PIH 2012-28]. This requirement does not apply to information that is public information, or is obtained by a PHA other than under 24 CFR 5.905.

### **Medical/Disability Records**

PHAs are not permitted to inquire about the nature or extent of a person's disability. The PHA may not inquire about a person's diagnosis or details of treatment for a disability or medical condition. If the PHA receives a verification document that provides such information, the PHA should not place this information in the tenant file. The PHA should destroy the document.

### **Domestic Violence, Dating Violence, Sexual Assault, or Stalking Records**

For requirements and PHA policies related to management of documentation obtained from victims of domestic violence, dating violence, sexual assault, or stalking, see section 16-VII.E.

**PART VI: REPORTING REQUIREMENTS FOR CHILDREN WITH ENVIRONMENTAL INTERVENTION BLOOD LEAD LEVEL**

**16-VI.A. REPORTING REQUIREMENTS [24 CFR 35.1130(e)]**

The PHA has certain responsibilities relative to children with environmental intervention blood lead levels that are living in public housing.

The PHA must report the name and address of a child identified as having an environmental intervention blood lead level to the public health department within 5 business days of being so notified by any other medical health care professional. The PHA must also report each known case of a child with an environmental intervention blood lead level to the HUD field office.

UHA Policy

The UHA will provide the public health department written notice of the name and address of any child identified as having an environmental intervention blood lead level.

The UHA will provide written notice of each known case of a child with an environmental intervention blood level to the HUD field office within 5 business days of receiving the information.

## **PART VII: VIOLENCE AGAINST WOMEN ACT (VAWA): NOTIFICATION, DOCUMENTATION, AND CONFIDENTIALITY**

### **16-VII.A. OVERVIEW**

The Violence against Women Act of 2013 (VAWA) provides special protections for victims of domestic violence, dating violence, sexual assault, and stalking who are applying for or receiving assistance under the public housing program. If your state or local laws provide greater protection for such victims, those laws take precedence over VAWA.

In addition to definitions of key terms used in VAWA, this part contains general VAWA requirements and PHA policies in three areas: notification, documentation, and confidentiality. Specific VAWA requirements and PHA policies are located in Chapter 3, “Eligibility” (sections 3-I.C, 3-III.F, and 3-III.G); Chapter 5, “Occupancy Standards and Unit Offers” (section 5-II.D); Chapter 8, “Leasing and Inspections” (section 8-I.B); Chapter 12, “Transfer Policy” (sections 12-III.C, 12-III.F, and 12-IV.D); and Chapter 13, “Lease Terminations” (sections 13-III.F and 13-IV.D).

### **16-VII.B. DEFINITIONS [24 CFR 5.2003]**

As used in VAWA:

- The term *affiliated individual* means, with respect to a person:

## **16-VII.C. NOTIFICATION [24 CFR 5.2005(a)]**

### **Notification to Public**

The PHA adopts the following policy to help ensure that all actual and potential beneficiaries of its public housing program are aware of their rights under VAWA.

#### UHA Policy

The UHA will make the following information regarding VAWA available on its Web site. It will also make the information readily available to anyone who requests it.

A summary of the rights and protections provided by VAWA to public housing applicants and residents who are or have been victims of domestic violence, dating violence, sexual assault, or stalking (see sample notice in Exhibit 16-1)

The definitions of *domestic violence*, *dating violence*, *sexual assault*, and *stalking* provided in VAWA (included in Exhibit 16-1)

An explanation of the documentation that the UHA may require from an individual who claims the protections provided by VAWA (included in Exhibit 16-1)

A copy of form HUD-50066, Certification of Domestic Violence, Dating Violence, or Stalking

A statement of the UHA’s obligation to keep confidential any information that it receives from a victim unless (a) the UHA has the victim’s written permission to release the information, (b) it needs to use the information in an eviction proceeding, or (c) it is compelled by law to release the information (included in Exhibit 16-1)

### **Notification to Applicants and Tenants [24 CFR 5.2005(a)(1)]**

PHAs are required to inform public housing applicants and tenants of their rights under VAWA, including their right to confidentiality and the limits thereof, when they are denied assistance, when they are admitted to the program, and when they are notified of an eviction or termination of housing benefits..

#### UHA Policy

The UHA will include information about VAWA in notices of denial of assistance, at the time of admission (see section 8-I.B), and in notices of termination of assistance.

The VAWA information provided will consist of the notice in Exhibit 16-1 (or equivalent) and a copy of form HUD-50066, Certification of Domestic Violence, Dating Violence, and Stalking.

The PHA is not limited to providing VAWA information at the times specified in the above policy. If the PHA decides to provide VAWA information to a tenant following an incident of domestic violence, Notice PIH 2006-42 cautions against sending the information by mail, since the abuser may be monitoring the mail. The notice recommends that in such cases the PHA make alternative delivery arrangements that will not put the victim at risk.

#### UHA Policy

Whenever the UHA has reason to suspect that providing information about VAWA to a public housing tenant might place a victim of domestic violence at risk, it will attempt to deliver the information by hand directly to the victim.

### **16-VII.D. DOCUMENTATION [24 CFR 5.2007]**

A PHA presented with a claim for initial or continued assistance based on status as a victim of domestic violence, dating violence, sexual assault, or stalking, or criminal activity related to any of these forms of abuse may—but is not required to—request that the individual making the claim document the abuse. Any request for documentation must be in writing, and the individual must be allowed at least 14 business days after receipt of the request to submit the documentation. The PHA may extend this time period at its discretion. [24 CFR 5.2007(a)]

The individual may satisfy the PHA's request by providing any one of the following three forms of documentation [24 CFR 5.2007(b)]:

- (1) A completed and signed HUD-approved certification form (HUD-50066, Certification of Domestic Violence, Dating Violence, or Stalking), which must include the name of the perpetrator only if the name of the perpetrator is safe to provide and is known to the victim
- (2) A federal, state, tribal, territorial, or local police report or court record
- (3) Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; or a medical professional. Acceptable documentation also includes a record of an administrative

agency, and documentation from a mental health professional. The person signing the documentation must attest under penalty of perjury to the person's belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.

- (4) A record of an administrative agency
- (5) Documentation from a mental health professional

The PHA may not require third-party documentation (forms 2 and 3) in addition to certification (form 1), except as specified below under "Conflicting Documentation," nor may it require certification in addition to third-party documentation [VAWA final rule].

#### UHA Policy

Any request for documentation of domestic violence, dating violence, sexual assault, or stalking will specify a deadline of 14 business days following receipt of the request, will describe the three forms of acceptable documentation, will provide explicit instructions on where and to whom the documentation must be submitted, and will state the consequences for failure to submit the documentation or request an extension in writing by the deadline.

The UHA may, in its discretion, extend the deadline. Any extension granted by the UHA will be in writing.

#### **Conflicting Documentation [24 CFR 5.2007(e)]**

In cases where the PHA receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, the PHA may determine which is the true victim by requiring each to provide acceptable third-party documentation, as described above (forms 2 and 3). The PHA must honor any court orders issued to protect the victim or to address the distribution of property.

#### UHA Policy

If presented with conflicting certification documents (two or more forms HUD-50066) from members of the same household, the UHA will attempt to determine which is the true victim by requiring each of them to provide third-party documentation in accordance with 24 CFR 5.2007(b)(2) or (3) and by following any HUD guidance on how such determinations should be made.

#### **Discretion to Require No Formal Documentation [24 CFR 5.2007(d)]**

The PHA has the discretion to provide benefits to an individual based solely on the individual's statement or other corroborating evidence—i.e., without requiring formal documentation of abuse in accordance with 24 CFR 5.2007(b).

#### UHA Policy

UHA will not provide benefits to an individual based solely on the individual's statement or other corroborating evidence of domestic violence, dating violence, sexual assault, or stalking. Instead, the UHA will require one of the three forms of documentation listed above.

### **Failure to Provide Documentation [24 CFR 5.2007(c)]**

In order to deny relief for protection under VAWA, a PHA must provide the individual requesting relief with a written request for documentation of abuse. If the individual fails to provide the documentation within 14 business days from the date of receipt, or such longer time as the PHA may allow, the PHA may deny relief for protection under VAWA.

### **16-VII.E. CONFIDENTIALITY [24 CFR 5.2007(b)(4)]**

All information provided to the PHA regarding domestic violence, dating violence, sexual assault, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence. This means that the PHA (1) may not enter the information into any shared database, (2) may not allow employees or others to access the information unless they are explicitly authorized to do so and have a need to know the information for purposes of their work, and (3) may not provide the information to any other entity or individual, except to the extent that the disclosure is (a) requested or consented to by the individual in writing, (b) required for use in an eviction proceeding, or (c) otherwise required by applicable law.

#### UHA Policy

If disclosure is required for use in an eviction proceeding or is otherwise required by applicable law, the UHA will inform the victim before disclosure occurs so that safety risks can be identified and addressed.

## **EXHIBIT 16-1: SAMPLE NOTICE TO PUBLIC HOUSING APPLICANTS AND TENANTS REGARDING THE VIOLENCE AGAINST WOMEN ACT (VAWA)**

*This sample notice was adapted from a notice prepared by the National Housing Law Project.*

A federal law that went into effect in 2013 protects individuals who are victims of domestic violence, dating violence, sexual assault, or stalking. The name of the law is the Violence against Women Act, or “VAWA.” This notice explains your rights under VAWA.

### **Protections for Victims**

If you are eligible for public housing, the housing authority cannot refuse to admit you to the public housing program solely because you are a victim of domestic violence, dating violence, sexual assault, or stalking.

If you are the victim of domestic violence, dating violence, sexual assault, or stalking, the housing authority cannot evict you based on acts or threats of violence committed against you. Also, criminal acts directly related to the domestic violence, dating violence, sexual assault, or stalking that are caused by a member of your household or a guest can’t be the reason for evicting you if you were the victim of the abuse.

### **Reasons You Can Be Evicted**

The housing authority can still evict you if the housing authority can show there is an *actual and imminent* (immediate) threat to other tenants or housing authority staff if you are not evicted. Also, the housing authority can evict you for serious or repeated lease violations that are not related to the domestic violence, dating violence, sexual assault, or stalking against you. The housing authority cannot hold you to a more demanding set of rules than it applies to tenants who are not victims.

### **Removing the Abuser from the Household**

The housing authority may split the lease to evict a tenant who has committed criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking against an affiliated individual or other individual, while allowing the victim and other household members to stay in the public housing unit. If the housing authority chooses to remove the abuser, it may not take away the remaining tenants’ rights to the unit or otherwise punish the remaining tenants. In removing the abuser from the household, the housing authority must follow federal, state, and local eviction procedures.

### **Proving That You Are a Victim of Domestic Violence, Dating Violence, Sexual Assault, or Stalking**

The housing authority can ask you to prove or “certify” that you are a victim of domestic violence, dating violence, sexual assault, or stalking. It must give you at least 14 business days (i.e., Saturdays, Sundays, and holidays do not count) to provide this proof. The housing authority is free to extend the deadline. There are three ways you can prove that you are a victim:

- Complete the certification form given to you by the housing authority. The form will ask for your name, the name of your abuser, the abuser’s relationship to you, the date, time, and location of the incident of violence, and a description of the violence. You are only required to provide the name of the abuser if it is safe to provide and you know their name.
- Provide a statement from a victim service provider, attorney, or medical professional who has helped you address incidents of domestic violence, dating violence, sexual assault, or stalking. The professional must state that he or she believes that the incidents of abuse are real. Both you and the professional must sign the statement, and both of you must state that you are signing “under penalty of perjury.”

- Provide a police or court record, such as a protective order.
- Provide a record of an administrative agency.
- Provide documentation from a mental health professional.

If you fail to provide one of these documents within the required time, the housing authority may evict you.

### **Confidentiality**

The housing authority must keep confidential any information you provide about the violence against you, unless:

- You give written permission to the housing authority to release the information.
- The housing authority needs to use the information in an eviction proceeding, such as to evict your abuser.
- A law requires the housing authority to release the information.

If release of the information would put your safety at risk, you should inform the housing authority.

### **VAWA and Other Laws**

VAWA does not limit the housing authority's duty to honor court orders about access to or control of a public housing unit. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

VAWA does not replace any federal, state, or local law that provides greater protection for victims of domestic violence, dating violence, sexual assault, or stalking.

### **For Additional Information**

If you have any questions regarding VAWA, please contact \_\_\_\_\_ at \_\_\_\_\_. For help and advice on escaping an abusive relationship, call the National Domestic Violence Hotline at 1-800-799-SAFE (7233) or 1-800-787-3224 (TTY).

### **Definitions**

For purposes of determining whether a public housing applicant or tenant may be covered by VAWA, the following list of definitions applies:

VAWA defines *domestic violence* to include felony or misdemeanor crimes of violence committed by any of the following:

- A current or former spouse of the victim
- A person with whom the victim shares a child in common
- A person who is cohabitating with or has cohabitated with the victim as a spouse
- A person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies

Any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction VAWA defines *sexual assault* as "any nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks capacity to consent" (42 U.S.C. 13925(a)).

VAWA defines *dating violence* as violence committed by a person (1) who is or has been in a social relationship of a romantic or intimate nature with the victim AND (2) where the existence of such a relationship shall be determined based on a consideration of the following factors:

- The length of the relationship
- The type of relationship

- The frequency of interaction between the persons involved in the relationship

VAWA defines **stalking** as (A)(i) to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate another person OR (ii) to place under surveillance with the intent to kill, injure, harass, or intimidate another person AND (B) in the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (i) that person, (ii) a member of the immediate family of that person, or (iii) the spouse or intimate partner of that person.

VAWA defines **an affiliated individual**, with respect to an individual, as a spouse, parent, brother, sister, or child of that individual, or an individual to whom that individual stands in loco parentis, or any individual, tenant, or lawful occupant living in the household of that individual.

VAWA defines **sexual assault** as “any nonconsensual sexual act proscribed by Federal, tribal, or State law, including when the victim lacks capacity to consent” (42 U.S.C. 13925(a)).
